04 MAINTENANCE & OPERATIONS

Thank you to our maintenance and operations crew for their hard work this winter. During last week's frigid weather, this team worked around the clock to take care of our school buildings so that everything was ready for students and staff to return. They are often behind the scenes, but their excellence is always on full display. We appreciate you!

Shout out to North Crowley for following honors:

- Chris Jimerson Jr. - Star Telegram Fort Worth area Football Player of the Year
- Ray Gates - Star Telegram Fort Worth area Football Coach of the Year
- Tommy Brakel - McDonald's All American Game basketball coach for the West...We are proud of you!

06 SCHOOL QUALITY REPORTS

Over the last few weeks, campuses have engaged hundreds of CISD families via zoom to review the School Quality Reports. The virtual format has allowed families to interact, ask questions and review data with the campus principals and district staff. In Crowley ISD we focus on the metrics that matter to our stakeholders. Awesome work!

07 SUMMER CREEK

The students and staff at Summer Creek Middle School are elevating the standard. On Monday, January 23 the campus offered onsite haircuts for students. We would like to thank every barber who participated in Summer Creeks new FRESH-N-CLEAN CUTS self-esteem initiative! Thank you for being a part of the dream team!
