

POINTS OF PRIDE #29

01 EARLY LEARNING

Did you know that Crowley ISD has programs for babies as young as six weeks old and pre-k registration is open now? Young learners can gain confidence as they master academic concepts and learn to cooperate with their peers, helping them to be more successful in kindergarten and beyond. Programs fill quickly, so sign your students up today!

02 EXTENDED LEARNING

It's officially summertime, but students at three campuses in Crowley ISD extend the learning with additional instructional days. J.A. Hargrave, David L. Walker and Meadowcreek Elementary campuses offer students individualized instruction to increase student success. Moreover, students enjoy summer enrichment and loads of fun because in Crowley ISD excellence in education is our #1 goal.

03 NORTH CROWLEY HIGH SCHOOL

Congratulations to North Crowley High School's Donovan Benton, who received a silver medal and excellent rating on Monday, May 29 at the UIL State Solo Contest after his vocal solo performance! We are so proud of you, Donovan!

Ms. Kelly was also named a statewide semifinalist for the 2023 H-E-B Excellence in Education Award. Ms. Kelly, we are very proud of you. Thank you for teaching in Crowley ISD!

05 CROWLEY HIGH SCHOOL

We are thrilled to announce that Mia Flores, a senior at Crowley High School, has been awarded a prestigious scholarship from the Texas Latino School Boards Association. Mia's dedication, hard work, and outstanding academic achievements have rightfully earned her this recognition and we are Crowley Proud of her! Go Mia!

06 GRADUATION

As members of the Crowley ISD Board of Trustees, we take great pride in congratulating the class of 2023. Your remarkable achievements deserve our heartfelt applause. We would also like to express our sincere appreciation to the campus teams and central office leaders who contributed to the success of our inaugural graduation at the Multi-Purpose Stadium. We are Crowley Pride Unified!

07 NATATORIUM

The new Crowley ISD Natatorium at the Ryan Family YMCA officially opened on Friday, June 2 with a grand ceremony. The project delivered on a promise from a previous voter-approved bond package at a lower cost, thanks to the partnership between CISD and the YMCA. This incredible facility will be used for YMCA swimming programs and high school meets but the first splash happened this week when our 21st Century students jumped in for some water safety instruction and fun. What a great way to start the summer!
