

POINTS OF PRIDE #34

01 RICHARD ALLIE MIDDLE

Richard Allie Middle School students participated in Suicide Prevention Week September 11-15 with a variety of dress up days including positive messages, dressing like a friend to show you are not alone, western wear to give the boot to negativity, and colorful clothing to brighten the world. Great job promoting safety and mental health with our students.

02 DALLAS PARK ELEMENTARY

This evening Dallas Park invited families to come out and enjoy Family Fitness Night. This event will be filled with fun physical fitness activities, health information, healthy snacks, wellness tips, group workouts, prizes and meal planning ideas. Families will be encouraged to dress comfortably so they can get moving together because in CISD we are one team with one dream!

03 BILL R. JOHNSON CTE

On Tuesday 9/12 our BRJ culinary students catered offsite for the Fort Worth Police Department. Our talented students crafted a delightful "Grab and Go" spread featuring muffins, cookies, scones, and fresh coffee, along with refreshing fruit-infused water. They also had the honor of meeting the Fort Worth Mayor and Police Chief. Thank you for representing CISD with excellence in the community.

04 SH Crowley Elementary

Congratulations to SH Crowley for winning the 2023 Head Start Award. Kudos to the entire team of teachers, leaders, parents and students at SH Crowley for starting the year with a 75% increase in program involvement over last year! We know the importance of early learning and we celebrate this incredible growth!

05 MONDAY WITH DR. MCFARLAND

On Monday, Sept. 18 over 250 community members joined Dr. McFarland in a virtual community discussion. Topics included the School Quality Reports, student attendance, safety updates and more! We encourage everyone to mark your calendars and join Dr. McFarland for the next session on Monday, Oct. 16. Act like a family...work like a team!

06 JACKIE GARDEN ELEMENTARY

International Dot Day, a global celebration of creativity, courage and collaboration, began when teacher Terry Shay introduced his classroom to Peter H. Reynolds' book The Dot. This year Jackie Carden joined the celebration by asking students and staff to wear polka dots. The goal is to encourage student to 'leave a mark' by being brave and trusting their abilities.

07 STEM DAY

Today is STEM Day in Crowley ISD and our campuses are celebrating the world of science, technology, engineering, and math. The mission is to explore the wonders of physical properties through hands-on STEM lessons. Students are enjoying guest speakers and dressing up in your favorite science-inspired attire! It is always an amazing day of discovery and learning!

08 CROWLEY FOOTBALL

The Crowley ISD 2023 football record speaks for itself. Eight and 0! Let's hear it for our coaches, players, trainers and fans! Crowley pride...unified!
