

BUSINESS AND COMMUNITY

FIVE-STAR PARTNERSHIPS

Crowley ISD recognizes that our business and community partnerships play an essential role in educating children. These partnerships serve in a pivotal position to help improve the quality of education for our students in a variety of ways. We have created a reception for you to learn more about the exciting opportunities to make an impact in our students' lives.

You are invited to attend one of our two business and community partner interest events in January and we would love to see you. Light refreshments will be served at this business casual event. If you are unable to attend, but would like to partner with Crowley ISD, please contact us.
